

## **SWAA(Students working on Advanced Applications)**

SWAA is a college level Technical symposium organised by the Department of Computer Applications, to inspire students in showcasing their talents and to be in touch with tomorrow. Envisaged as a crucial wing of the Students Working on Advanced Applications (SWAA), the technical wing binds together all the technical endeavours of the institute. Ensuring the proper organization of workshops, seminars and trainings with the prime motive to cultivate proficient technological skills in students, the technical club organizes the techno-management festival of the institute.

### **Goals:**

1. Reach out to students and make them aware of various computer science academic and industry trends.
2. Inculcating interest towards technology and enable students to explore their passions and desires in a comfortable environment.
